

XXXVIth URSI General Assembly and Scientific Symposium

August 15-22, 2026, Kraków, POLAND

Venue: ICE - International Congress Centre, Kraków

Call for Papers

The URSI GASS 2026 is the main event of the International Union of Radio Science (URSI), and will be held in Kraków, Poland on August 15-22, 2026.

The scientific program will have a series of open and convened sessions covering the areas of URSI Commissions A to K, comprising oral/poster sessions with invited and contributed papers and General Lectures. In addition, there will be workshops, short courses, young scientist programs including the Young Scientist Award and the Student Paper Competition, an accompanying persons' program, and an exhibition.

Prospective participants are invited to submit papers for inclusion in the scientific program. Detailed information will be posted on the URSI GASS 2026 website. Any topics related to URSI Commissions are welcome. In addition, papers addressing multidisciplinary aspects will be assigned to inter-Commission joint sessions.

The conference will be held as an in-person conference with only on-site presentations.

Paper Submission

All papers should be submitted electronically via the link provided on the URSI GASS 2026 website, where the latest information on the submission procedures, templates, and sample formats will be posted. Accepted papers presented at URSI GASS 2026 may be submitted for publication in IEEE Xplore, if the author wishes.
