

XXXVIth URSI General Assembly and Scientific Symposium

August 15-22, 2026, Kraków, POLAND

Venue: ICE - International Congress Centre

Call for Papers

The URSI GASS 2026 is the main event of the International Union of Radio Science (URSI), and will be held in Kraków, Poland on August 15-22, 2026.

The scientific program will feature a series of open and convened sessions covering the areas of URSI Commissions A to K, comprising oral/poster sessions with invited and contributed papers, as well as General Lectures. In addition, there will be workshops, short courses, young scientist programs including the Young Scientist Award and the Student Paper Competition, an accompanying persons' program, and an exhibition.

Prospective participants are invited to submit papers for inclusion in the scientific program. Any topics related to URSI Commissions are welcome. In addition, papers addressing multidisciplinary aspects will be assigned to inter-Commission joint sessions.

The conference will be held as an in-person event with on-site presentations only.

Important Dates

Paper submission site opens: **November 12, 2025**

Paper submission deadline: January 25, 2026

Notification of acceptance: **March 15, 2026**

Paper Submission and Publication

The information on the submission procedure is available at the URSI GASS 2026 website. All Summary Papers physically presented at GASS 2026 will be submitted to IEEE Xplore (unless the author opts out). Special sections/topics will also be considered for submission to IEEE MTT-S and IEEE AP-S journals.
